Ambleside Collection

The Ambleside dining collection brings a warm, earthy feel to the home, combining on trend oak tones with ribbed detailing and clean, understated lines. From extending and fixed dining tables to upholstered chairs and coordinating storage, each piece is designed to work beautifully together, making it easy to create a relaxed, cohesive dining space.

-  100cm wide design offers useful storage without taking up too much floor space, making it a practical choice for smaller dining rooms, hallways or living spaces
-  Natural oak finish brings warmth and a timeless feel, making it easy to pair with a variety of interiors
-  Two doors and a spacious drawer provide a mix of concealed and accessible storage, helping keep everyday essentials organised and close at hand
-  Straight, tapered legs create a clean, balanced silhouette that works beautifully with a variety of dining chairs
-  Raised design with tapered legs creates a lighter appearance, making the sideboard feel less bulky while leaving space underneath for easy cleaning
