Brooklyn Collection

Sink into the ultimate lounging experience with the Brooklyn , plush deep-seat sofa ,its design is all about generous proportions and organic comfort. The oversized, cloud-like seat and back cushions practically beg you to curl up for a movie marathon, while the uniquely contoured, subtly flared armrests add a touch of modern, sculptural elegance to its otherwise relaxed silhouette. Supported by a low-profile base, this piece strikes the perfect balance between cozy, lived-in luxury and contemporary style—making it the undisputed centerpiece of any inviting living room.

- Deep, Low-Profile Seating: The cushions are exceptionally deep and sit low to the ground, maximizing comfort and giving it a relaxed, contemporary lounge aesthetic.
- Plush, Overstuffed Cushions: It features thick, high-loft seat and back cushions designed for a “sink-in” feel, perfect for binging shows or long afternoon naps.
- Contoured, Flared Armrests: The armrests gently slope upward and flare outward, widening the seating area and providing a comfortable angle to lean against.
