# Chamonix Collection

---

The Chamonix designed with tactile comfort and a silhouette that feels both solid and inviting. It's the kind of sofa that anchors a room without taking it over. The design provides a choice of a standard back for a structured supportive sit or the choice of the Chamonix Pillow Back, the same solid foundation with a lot more personal feel. You'll get a collection of oversized, loose pillows. It's a softer, more casual approach that changes the vibe of the room.

Contoured Flared Arms: Wide, padded "pillow-top" armrests designed for comfort

Deep-Seating Profile: Oversized seat cushions filled with high-resilience foam and a thick fiber wrap for a "sink-in" feel with a quick recovery.

Pillow back provides custom adjustability and a great way to personalise your sofa with a choice of colours for the scatters

The standard back provides exceptional lumbar support and great feel to keep you comfortable for extended durations

Contemporary Silhouette: Features elegant, subtly flared arms

Supported by low-profile, wood block feet with choices of colour
