Your Wardrobe Checklist

To help ensure a smooth and hassle-free wardrobe purchase and installation, please take a moment to review these important considerations. Preparing ahead will make assembly easier and help your new wardrobe fit perfectly in your space.

- ☐ Allow at least 10cm of clearance above and on one side of the wardrobe for easy Assembly
- ☐ Keep in mind that once your wardrobe is installed, access to nearby power outlets may be limited. Plan ahead if you need to relocate any sockets.
- ☐ Ensure the wardrobe will be placed on a level surface to guarantee smooth operation of doors and drawers.
- ☐ Although the wardrobe is packed flat for delivery, please make sure there's enough space to bring all parts into your chosen room.
