Palazzo Collection

The Palazzo Collection brings a sophisticated, earthy warmth to your living space without sacrificing the “sink-in” comfort your Sunday afternoons deserve. With its generous proportions and tactile fabrics, it’s not just a sofa—it’s the new heart of your home. Most sofas are designed to be pushed against a wall. The Palazzo is designed to be the center of attention with its unique square-tufted side panels ensuring that your sofa looks just as stunning from the side as it does from the front.

-  Seats have serpentine springs with silent wires, with encore foam filling for comfort and support.
-  Frames made from a selection of hardwoods, dowelled, screwed and glued for durability
-  Backs have elasticated webbing and blown fibre interiors for comfort and support.
-  Inclusive scatter cushions are feather filled, which need regular plumping.
-  Choice of foot options Walnut or Mid Oak to co-ord to your décor.
