Stoneleigh Collection

The Stoneleigh's design is a masterclass in Modern Heritage. It takes the classic British scroll-arm silhouette and gives it a fresh, architectural edge through bold colours and tactile textures. In this collection, the choice between the two isn't just about looks—it's about how you like to lounge with a choice of standard back and pillow back on the sofas.

Featuring classic rolled arms and a wide, inviting frame, the Stoneleigh sofa commands the room without shouting.

Castor Feet: Solid wood turned legs finished with vintage-style castors for easy movement and a touch of class with colour options.

Hand-Finished Detail: Piping and bespoke upholstery options to suit any palette.

Available in jewel-toned velvets and jacquard designs, it brings colour and sophistication to any room
