Thomasville Collection

The Thomasville, a classic Chesterfield-inspired scrolled arm with meticulously hand-pleated detailing, grounding the piece in timeless sophistication. This sofa serves as a stunning focal point that effortlessly bridges the gap between classic design and modern comfort. Designed with inviting, deep-seated plush cushions that practically beg you to sink in and relax. Whether you are enjoying a quiet morning coffee or hosting friends for an evening of conversation, the Thomasville offers a warm, luxurious embrace.

Classic Scrolled Arms: Features beautifully rolled, traditional Chesterfield-inspired arms adorned with exquisite pleated detailing for a touch of timeless sophistication.

Designed with deep-filled seat cushions that offer support and sink-in softness, while the multi-cushion back on the pillow backs allows you to arrange your comfort exactly how you like it.

Perfect for if Customers looking to capture the "Modern Country House" or "Cottagecore" aesthetic without sacrificing the plush comfort of a modern, everyday family sofa.

Every seat cushion features crisp, tailored welted edges (piping) that reinforce the seams, maintain the cushion's shape, and give the sofa a sharply tailored, high-end finish.
